Housing Associations in South Lakeland

This booklet can be made available in large print, braille and audiotape. Please ask at any of our offices or telephone 01539 717717. You can also look at our website on www.southlakeshousing.co.uk.

Housing Associations or registered social landlords are organisations registered with the Housing Corporation to provide accommodation to rent. Some Associations have large numbers of properties throughout the County but others only have small numbers in one town or village. South Lakes Housing has agreements to nominate tenants for some vacancies but other vacancies are taken from the Associations' waiting lists.

It is always advisable to contact the Association direct to ensure you will be considered for vacancies in your chosen area.

A list of Associations is detailed below :
