

Andy has lived in and around Kendal for nearly the last 55 years having moved here from London as a boy. He worked at K Shoes for 31 years in the commercial side of the business, mainly as a stock controller.

In 1999 Andy was elected to South Lakeland District Council as a councillor for Kendal Heron Hill. In 2001 he was appointed to the newly formed Cabinet where he served until May 2011. Since 2006 Andy held the portfolio for Policy, Performance and Resources. The prospect of the Transfer with all its implications to both the tenants, South Lakes Housing and South Lakeland District Council is the main reason Andy is keen to be part of South Lakes Housing.
