

Janet was unanimously nominated by the Tenants' Committee in April 2011 to the Board at an important time when tenants are influencing the future of housing in the district.

Janet has been attending the Tenants' Committee meetings and other meetings for the last few months and has been able to build up a good understanding of the housing options issues that are important to tenants. Janet has lived in South Lakeland for 34 years and has been a tenant of South Lakeland District Council since 1995. She takes an active interest in community and voluntary work, and this is reflected in her professional life as finance officer for Cumbria Voluntary Services
