

Lindsay is an Associate Consultant of David Tolson Partnership Limited. She has 26 years' experience in the social housing sector, having held senior positions in the Places for People Group and the Progress Housing Group before moving into consultancy. She has worked as a consultant for 7 years, as Business Improvement Manager with the Tribal Group, as a Director of Pennington Consulting, as a Director of Optima Housing Consultants (part of the Trans Pennine Housing Group) and most recently as Director of Corporate Services at Cartrefi Cymunedol Gwynedd (a 6300 unit recent LSVT).

Lindsay has advised both local authorities and housing associations on a wide range of issues including financial management, governance and efficiency. She has undertaken comprehensive reviews of a number of service areas which have included policy review, analysis of business processes, evaluation of staffing structures, benchmarking of performance and Value for Money assessment. She has developed a particular specialism in income management reviews and has an extensive knowledge of best practice within the sector.
