Roger's Easter Eggstravaganza at Gallowbarrow

Sheltered housing tenants at Gallowbarrow in Kendal had plenty of visitors on the Thursday before Easter when Roger Rabbit and children from neighboring Rinkfield estate arrived for an Easter Egg Hunt. The Egg Hunt had been the idea of the Residents' Association for the Rinkfield area, and was organized by South Lakes Housing.

Ellie Maplethorpe, aged 8, was the lucky winner of the 'Find the golden egg' competition, and was presented with a cuddly bunny by Roger Rabbit.

Roger Rabbit, also known as Housing Officer Louise North said, 'It's really smashing to see such a good turnout! The residents have really enjoyed seeing the children have such a good time. Now can someone get me out of this suit!'

There was tea and cakes afterwards and fun was had by all.

Pictured to the right is a delighted Ellie receiving her prize from Roger Rabbit.
