

Thank you to Mrs Phillpotts for the Milnthorpe area and Mrs Petch for the Arnside, pictured below who are the lucky winners and have both received a cheque for £50.

Currently work is taking place in Ulverston and surrounding area, but will be commencing in the Lakes shortly. It is important to South Lakes Housing that you return the questionnaire when the work is completed as this assists both ourselves and our partners, Bramalls to improve our service to you and identifies any potential problems as they arise. Please keep filling them in.
